License from Ministry of Expatriates Welfare and Overseas Employment (MoEWOE)

Introduction

Overseas employment is a very important aspect in socio economic life of Bangladesh. Overseas employment not only reduces unemployment of the country, but also enriches the economy in the country with the remittances sent by the migrant workers working abroad. In continuation of that initiative Bangladeshi workers began to be employed in the Middle-Eastern countries during mid-seventies. So far Bangladesh has sent nearly 9 million workers in 160 countries of the world.

To Place more emphasis to the overseas employment sector, Bangladesh Government has established a separate ministry named Ministry of Expatriates Welfare and Overseas Employment (MoEWOE) on 1992. The main objective of the Ministry is to ensure welfare of the expatriate workers and enhancement of overseas employment with a principle of equal opportunity for formulating policies, plans, enacting laws, rules and regulations, developing projects, programs and monitoring relating to the management of overseas employment as well as overall welfare of expatriates workers. The ministry of expatriates Welfare and Overseas Employment is situated at 71-72, Old Elephant Road, Eskaton Garden, Dhaka-1000
